

**BECKHOFF** New Automation Technology

Beckhoff UK Remote Training

# BECKHOFF New Automation Technology

Thank you for booking the Beckhoff Automation UK Remote Training course.

## Requirements for trainees:

- PC or Mac
- Zoom and TeamViewer software installed (licenses not required)  
You can download TeamViewer here: <http://www.teamviewer.com/download>
- Headset and camera
- Broadband connection
- Quiet room

## Pre-training check:

During the week before the scheduled training, the trainer will contact all attendees to check communications, remote access, and that all required software is installed and functioning correctly.

The training will take place on Zoom. The trainer will send you an invite prior to the commencement containing both a link to the meeting and the meeting ID.

## Times:

First day will start at 9:30am and end at 5:00pm,

Following days will start at 9:00am and end at 5:00pm.

Please ensure you are logged in prior to the commencement times.
